A Message From the Principal

Dear parents, carers and community members

As we come to the end of a busy and rewarding Term 2, I want to sincerely thank our students, staff, and families for another term filled with care, teamwork, and learning.

It has been wonderful to see our students making progress towards their individual goals, growing in confidence, and engaging positively with their peers and staff. Our team continues to show dedication, patience, and flexibility in meeting the unique needs of every student—thank you for everything you do to make our school such a nurturing and supportive place.

Student reports are being mailed out this week, so please keep an eye out for them in your letterbox. These reports reflect each student's learning journey and the progress made throughout the semester. If you would like to discuss your child's report, please contact their classroom teacher early next term.

As we head into the holidays, please be mindful of the cold and flu season. We kindly ask families to continue taking precautions—if your child is unwell, please allow them time to rest and recover before returning to school. Your support in helping reduce the spread of illness is very much appreciated.

Looking Ahead to Term 3 at AESC

Reminder—there is a School Development Day (staff only): Monday 21 July.
Students return for Term 3: Tuesday 22 July.

Next term we are looking forward to a number of engaging learning experiences and school events, including:

- Book Week celebrations
- Science Week exploration
- Father's Day activities
- Wellbeing and Protective Behaviours sessions
- Parent teacher IEP meetings

We will provide more detailed information and dates for these events in Term 3 through classroom updates and newsletters.

Thank you again for your continued support. I wish all our students and families a safe, happy, and restful holiday break. We look forward to welcoming everyone back for another exciting term of learning and growth.

Kind regards
Michelle O'Brien
Principal

School Diary

Friday 4 July	Last day term
Monday 21 July	SDD—No Students
Tuesday 22 July	First day students term 3
Wednesday 13 August	Year 10 School Based Immunisation
Monday 18 to Friday 22 August	Book Week

National Walk Safely to School Day was on Friday 16th May 2025. This event encourages primary school students to walk to school, promoting healthy habits and road safety awareness.

Our school promoted pedestrian safety and awareness by holding a walking excursion for our Primary Campus students on Friday 6th June 2025. During Health lessons, students have been learning about road safety and this term in particular, pedestrian safety. Road Safety mascot, Izzy, from *School Drug Education and Road Aware* program (SDERA) joined our walking excursion to help us learn to keep safe when crossing the road and walking on the footpath.

We also practiced the SDERA safety motto of 'Stop, Look, Listen and Think' before we cross the road. A big thank you to SDERA coordinator, Rose, for her continued support to our school with this program and our excursion. Thank you to all our staff for helping our students participate in this walking excursion and making the adjustments to keep everyone safe

Secondary

Dear Parents/Guardians,

What a semester the students have had at the high school and here we are at the very end! I think everyone is ready for and looking forward to a couple of weeks of relaxing with our families and keeping warm while these chilly mornings pass us by.

That said, we have been making the most of the beautiful sunshine later in the day as we continue our fitness, strength, and social awareness activities. This term, we have been joined by a few NSHS students at different times. It seems we have become quite popular with regulars stopping by to have a quick kick!

Our dedicated students have been actively participating in various enriching activities including cooking, workshop, Minecraft learning sessions and playing team sports such as basketball, football, and soccer. These activities have not only fostered teamwork and collaboration but also contributed to their personal and social wellness growth.

This term we took the time to celebrate our wonderful office staff with a morning tea, we enjoyed NAIDOC Week celebrations and an attendance sausage sizzle. These events have brought our school community closer together and highlighted the importance of appreciation and cultural awareness.

We are incredibly proud of the efforts and achievements of our students this semester. Their enthusiasm and commitment to learning and growing together have been truly inspiring.

Thank you for your continued support, and we wish you all a restful and enjoyable break.

Warm regards,

Ms Dayman and Mrs Edwards
